

# APPLICATION/NOMINATION FORM

## MISSOURI LEWIS AND CLARK LEGACY RECOGNITION

This form may be submitted by an organization or individual, either as a project official or as an outside observer. If submitted by an outside observer, it is still required that a project official affirm the nomination in Item VII. Responses to questions III, IV and V should not exceed 100 words. To facilitate committee review, six (6) identical copies of this form must be submitted. If you are providing supplemental materials, six (6) collated sets of these items also must be submitted. If you complete the form online, commission staff will reproduce the form but six collated sets of the supplemental materials will still need to be delivered. If you complete the nomination online and provide supplemental items, please include the project title and other information needed to link these items to the online application.

Forms and materials can be delivered to the office of the Missouri Lewis and Clark Bicentennial Commission, 100 Jefferson Street, Suite 200, Jefferson City, MO 65101. Nominations for spring 2005 have closed. Another nomination series will be conducted later in 2005. If you are interested in being notified when nominations can be submitted for the second series, contact the commission office by e-mail or phone and we will be happy to add you to our notification list.

**I. Project or Activity Name:** \_\_\_\_\_

- ☐ Project has been completed  
☐ Project will be substantially completed by Dec. 31, 2006

**II. Category of Entry** (check one)

- |   |  |
|---|--|
| <input type="checkbox"/> Exhibits and interpretive signs        | <input type="checkbox"/> Re-enactment                |
| <input type="checkbox"/> School curriculum                      | <input type="checkbox"/> Research resource           |
| <input type="checkbox"/> Books                                  | <input type="checkbox"/> Audio/video publications    |
| <input type="checkbox"/> Maps and special publications          | <input type="checkbox"/> Public safety               |
